TEBBS & TEXTPRO SR.

TEBBS and TextPro Sr. are our most affordable information display systems. Our video messaging systems are designed to help you keep your school, care facility and community up to date with announcements, event listings, classified ads, employee information and local news. TextPro Sr. allows you to display up-to-date local weather information automatically. These two products are DSI's first tier of video messaging systems, providing you with superior performance and value.

1 INTERNET WEATHER - Automatically retrieve local weather data (with add-in)

2 HORIZONTAL CRAWL - Display scrolling information

ADVANCED SCHEDULING - Set start and expiry dates for your pages using an intuitive drag and drop interface

REMOTE ADMINISTRATION - Control and update schedules remotely

3 ANALOG CLOCK - Choose from 7 clock faces

4 DSI GRAPHICS LIBRARY - Our software comes with over 1000 graphical backgrounds

5 LINEUP TV LISTINGS - Integrate our award-winning scrolling TV listings guide

UNLIMITED # OF PAGES - Schedule as many pages as you'd like to display
